

Northwestern Connecticut Sportsmen's Association Range Rules

Archery Range Rules:

1. The use of broadheads is prohibited on bag type targets and walk-through stations.
2. No handling of bows while shooters are down range.
3. When using 3D walk-through course, it is required that users and shooters and spectators stay on designated path.
4. The Walk-Through Course is designed as a one-direction path. Do not backtrack or reverse direction from the numbered targets.
5. All members who used the 3D archery course on Flagg Hill must sign in & out of the log book at the club house.
